Journal of Open Source Software (JOSS)

- Growing JOSS requires scaling up people
  - More editors! (grew from 69 in 2022)
  - Associate Editors-in-Chief rotations and topical editor term limits to avoid burnout
- …and scaling up tools
  - Using new technology and more automation to improve and streamline reviewer selection
  - Help authors prepare submissions
  - Improved monitoring and validation for editors
  - Making `@editorialbot` even better!
